

# Sanctuary Cove International Boat Show - Display Regulations

These Display Regulations form part of the Exhibitor's agreement for the Sanctuary Cove International Boat Show. Further information about the agreement, including the terms and conditions, is available at the website [www.sanctuarycoveboatshow.com.au/exhibitors](http://www.sanctuarycoveboatshow.com.au/exhibitors).

## 1. SCOPE OF EXHIBIT

- (a) Only marine, boating or associated products and services may be exhibited.
- (b) If the Exhibitor primarily sells products by catalogue or using the Internet, it must display a substantial range of the products offered for sale.
- (c) Only new (i.e. not used or second-hand) products may be exhibited, unless we approve otherwise.

## 2. STANDARD OF EXHIBIT

The exhibit must:

- (a) be safe and not likely to cause injury or damage to any person or property;
- (b) be kept in a clean and orderly state;
- (c) not contain anything that might be regarded as offensive or inappropriate;
- (d) not cause a nuisance or interfere with other exhibitors or tenants on the Site; and
- (e) comply with applicable laws.

## 3. EXHIBIT REQUIREMENTS

- (a) No part of an exhibit, including banners, flagpoles or any promotional item, is to be more than 6 metres above ground or marina level unless we have consented to it.
- (b) All parts of an exhibit (including all trailer drawbars, wheels, steps, platforms, stern drives or literature/display racks) must be contained within the designated limits of the Licensed Area.
- (c) Display materials, banners, signs, bunting or other equipment must not be attached to any structure that forms part of the buildings or fixtures of Sanctuary Cove, or to any temporary structure that does not form part of the Licensed Area.
- (d) Drawbars on any trailers must be fitted with approved rigid coverings that give visible and effective protection to any person walking past.
- (e) All potential hazards including anchors, bow sprits, outboard motors and other equipment must be displayed in such a way that they will not cause harm or injury to any person.
- (f) Boats in the hard stand areas must have a minimum clearance of 1 metre between units.
- (g) Boats over 6 metres in length, or with a display height of more than 2 metres, must not be displayed along the marine village streets without prior written consent.
- (h) Any boats displayed on hard stands or in the pavilion areas must not be stacked, nested, stood erect or on end, unless we have given consent to do so.

## 4. CONDUCT DURING THE EXHIBITION

- (a) The exhibit must be staffed with sufficient competent representatives.
- (b) The Exhibitor must not conduct or solicit business on the Site except from their Licensed Area, unless we approve otherwise.
- (c) The exhibit must remain open and staffed during the Exhibition Opening Hours.
- (d) Stands, gangways and thoroughfares in and around the Licensed Area must be kept tidy and clear of any obstructions.
- (e) The Exhibitor must not impede the flow of foot traffic with any item such as signage, flagpoles or planter boxes.
- (f) Food, beverage and tobacco products are not to be sold without our prior written consent.
- (g) Auctions, lotteries, raffles and competitions are not to be conducted without our prior written consent.
- (h) Public address and sound amplification systems are not to be used without our prior written consent. The Exhibitor must comply with our directions in relation to the use of any equipment which we deem to be causing excessive noise.

- (i) Plastic bags or balloons must not be distributed for any purpose, including for promotional purposes or the distribution of brochures. In the interests of environmental protection exhibitors are asked to distribute only bio-degradable plastic bags or paper bags to clients
- (j) The Exhibitor must not conduct any practice that we consider to be objectionable, likely to discredit the Exhibition, to cause visitor dissatisfaction or is otherwise not in the best interests of the Exhibition.
- (k) Hazardous, toxic or dangerous substances must not be stored, displayed or used without our prior written consent.
- (l) Product demonstrations must be conducted within the Licensed Area and must not interfere with foot traffic in the aisles or roadways.
- (m) Product demonstrations must not produce exhaust fumes or involve the use of resins, solvents, paints or any inflammable materials.
- (n) Combustion motors and mechanical devices must not be operated within internal exhibition areas.
- (o) Motors and mechanical devices used in external exhibition areas, including the marina, must not cause a nuisance or risk to visitors or other exhibitors.
- (p) Floor loads in pavilions must not exceed the following: Single point load: 100kg. Static load: 1200kg per sqm. Safe moving load: 350kg per sqm. If the Exhibitor wishes to use pallet jacks on pavilion flooring, it must notify us of the gross weight of the items that will be moved.
- (q) If the Licensed Area occupies any street space within the Marine Shopping Village, the Exhibitor must arrange its exhibit and displays in such a way that any Marine Village tenancies are not blocked from view or have customer access impeded.
- (r) Corporate branded pop up market stalls must comply with the relevant Australian standards and are approved by our Queensland Health & Safety Manager.
- (s) Exhibitors must not sell liquor. Alcoholic drinks may only be dispensed free of charge with our written permission, and must be consumed within the Licensed Premises.

## **5. CONDUCT ON THE MARINA**

- (a) Vessels on display at the marina must not be removed during the Exhibition. Demonstrations of vessels may only be held outside of Exhibition Opening Hours, except where the Exhibitor has applied for and been allocated a Sea Trial berth or where we have given specific approval.
- (b) Access to the Marina by corporate tenders is prohibited unless we have given prior written approval.
- (c) The Exhibitor may request our approval to install temporary structures or floor covering on the marina or on a corporate pontoon. We may require the Exhibitor to provide further information (including design and construction details) and consult with neighbouring exhibitors in deciding whether to give our approval. Unless we give our approval, the Exhibitor must not install temporary structures or floor covering on the marina or on a corporate pontoon.
- (d) Without limiting section 5(a), a corporate pontoon must not be loaded with more than 200 kg per square metre without our approval. The Exhibitor may request our approval to load a corporate pontoon up to 300 kg per square metre. The Exhibitor will need to submit certified engineering plans and, if we approve the increase, the Exhibitor must comply with any engineering requirements (such as installing additional floatation). The Exhibitor will be responsible for all engineering costs.

## **6. COMPLIANCE WITH REGULATIONS**

- (a) Smoking is strictly prohibited on any part of the marina, or on any boat moored in the marina.
- (b) Parking restrictions apply on the Site. Any unauthorised parking may result in the offending vehicle being towed at the owner's expense.
