APEX boats are globally renowned for exceptional quality. Hand crafted in Costa Rica using high grade Hypalon, APEX is available in Australia exclusively through Nautical Imports.

A-24 LUXURY TENDER

Versatile & durable, the APEX A24 Tender is stable and secure. Made with heavy duty military grade Hypalon pontoons and reinforced fibreglass hull, the boats are customisable. Fitted with a centre console with enclosed toilet facilities, and fresh water, a 250hp 4-stroke Honda with bow thruster as standard, hard top, natural teak flooring, electric anchor, 2x12inch Garmin touch screens and custom storm cover.

A-15 LUXURY TENDER

The APEX A15 Tender is ergonomically designed to ensure stability, performance, comfort and complete security. Fitted with side console, teak accents, 60hp Honda, bimini cover, rear arch with integrated swim ladder, rod holders and towing post, aft lounge and forward sun bed.

A-13 LUXURY TENDER

The APEX A13 Tender is a strong and durable deluxe small boat. Made with high quality Hypalon, this tender has been tested in the most extreme conditions. Fitted with side console, natural teak accents, rear arch for towing and rod holders.
