

Share the Yacht, Live the Dream

Yacht ownership at a fraction of the cost

 **YACHT SHARE**
MARINER
Share the Yacht, Live the Dream

Yacht Share Mariner

Own your share of a luxury yacht in the Mediterranean or in Australia.

Unforgettable experience, unrivalled support.

Affordable Luxury

Share the capital and running costs and let Yacht Share Mariner take care of the rest. At the end of the management contract when the yacht is sold you will recover up to 80% of your investment. In the meantime, you will have enjoyed luxury that may otherwise have been prohibitive.

Walk on walk off service

Just pack your bags. You will save a lot of time in the preparation, service, and maintenance of the yacht as we will do it all for you with Dream Yacht from their base at the Coral Sea Marina, Airlie Beach.

We look after you

Our online booking system makes the planning of your time on board so simple and there is unlimited time available on a standby basis. We also make sure you are familiar and competent with the handling of the yacht. Dream Yacht and Yacht Share Mariner will also assist in the planning of your cruise and extend support to you during your cruise.

We take care of the yacht

Professional service and maintenance of your yacht by Dream Yacht will be in accordance with detailed programs and done with the utmost professionalism. Dream Yacht operate a fleet of 38 yachts for charter from the Coral Sea Marina.

Choose where you want to sail

You will not be constrained by GBMPA charter regulations in Queensland. We plan to bring the yacht south in the summer to operate from a base in or near Pittwater.

Flexible Shareholder Options

We do have flexibility with ownership options. It is possible to take up a 10% share with 33 days usage, you can split a 12.5% share and you can own more than 1 share.

Shares can also be sold during the three year ownership period. They can be offered first to other share-holders then on to new owners.

Australia – Whitsundays

Explore the Whitsundays on your own yacht where the boundaries are limitless – Whitehaven beach one day, Great Barrier reef or Magnetic Island the next.

Whitsundays

Yacht Share Mariner will operate from the Coral Sea Marina in Airlie Beach for the winter season with all operational services delivered by Dream Yacht Charter.

The Whitsundays offers unequalled tropical cruising but owning your own yacht enables exploration of the entire Queensland coastal area. The joy of exploring the iconic Great Barrier Reef is yours. Sail south to Hervey Bay or north to Magnetic Island and take in islands and bays along the way.

During the whale season see the mothers and calves at play. Enjoy the dolphins as they dance at the bow of your yacht.

Bali 4.4

The Bali 4.4 is recognisable at first sight thanks to the design of its hulls with fine bows and its very elegant lines.

Inside the luxury continues in this fully air-conditioned vessel, it features an outstanding modern kitchen where space and storage are abundant, and has easy access to both front and rear cockpits. A 600-litre two-door fridge/freezer with an ice maker ensures easy catering.

Head aft and press the button to lift the whole aft bulkhead and bring the outside in for fresh air and open space.

This 3 cabin version boasts a master cabin that is more like a small apartment with a

lounge, ample wardrobe space, double sinks, and a generous shower area.

The Bali 4.4 has a gen-set, is solar-powered, and boasts a huge 85 square metres of usable deck space. With full electronic instrumentation, 2 x 57 HP diesel engines, and 150 square meters of upwind sail area you move easily with the breeze or under power. Then when you find the bay that fits your dream, drop the anchor, soak up the solitude and enjoy unlimited access to the swimming pool.

To ensure your competence and confidence as skipper of this sophisticated Bali 4.4. Yacht Share Mariner offers a complimentary familiarisation course.

Pittwater and Sydney Harbour

For summer the yacht will be sailed south giving access to the beautiful waters of Port Stephens, Lake Macquarie, Pittwater and Sydney Harbour. Shareholders may join the delivery trips.

Sydney Harbour can be quite tranquil once the racing crews sail out through the heads. Pittwater is a favourite but further afield is Port Stephens. With 26 beaches, tranquil bays and islands, it has much to offer the cruising sailor. An easy hop from Pittwater, it's a wonderful blue-water paradise that really should be a mandatory stop for cruising boats making passage between NSW and QLD.

Mediterranean

If the idea of sailing the coast of Turkey and the Greek Islands sounds amazing to you – imagine it on your own private yacht!

Sailing in the Mediterranean

If the idea of sailing the coast of Turkey and the Greek Islands sounds amazing to you – imagine it on your private yacht!

Take a one sixth share in our monohull – a brand new Dufour 53 which joins the Marmaris-based fleet early in 2023.

If your preference is 2 hulls join the new Astrea 42 syndicate, which will be operational from the middle of 2023.

The Mediterranean has no equal as a cruising ground! With an exotic mixture of food, culture, history, scenery, tiny harbours, fabulous marinas, secluded anchorages, and the deepest blue and turquoise waters you're ever likely to see.

Our years of sailing experience in these waters will ensure you have the best knowledge and assistance every step of the way.

Moor to a town quay with the nearest taverna a mere ten metres away. Shop in local markets then hoist the sails and lean into the breeze as you make passage to the next exciting port of call.

Across the three years of the syndicate agreement, we'll move the yachts from Greece and Turkey to Croatia, Italy, and France, with the yacht returning to Marmaris during each offseason.

Don't miss the opportunity of a lifetime to own a share of exotic holidaying in the Med.

Fontaine Pajot Astréa 42

The new Astréa 42 is distinguished by its abundance of natural light, energetic lines, elegant living spaces, and unparalleled comfort. A joy to share as a couple or with family and friends.

The yacht has all of the luxury extras and a 3 cabin owner's configuration with full air-conditioning, a light-filled galley, and a saloon. There are three generous lounge areas.

She also has a gen-set, solar power, upgraded 50 HP diesel engines, water maker, furling gennaker, and fully battened mainsail with power halyard winches. The davits also have a power winch for easy lifting of the dinghy.

Dufour 530

The Dufour 530 is a real live aboard cruiser, easy to sail short-handed, and we are offering the 3 cabin owner version. When the anchor comes up the yacht has plenty of sail power with a fully battened main, self-tacking jib and there is a roller furling gennaker on the forestay. Plus there is 75 HP of diesel power and a folding propeller.

The main galley across the front of the saloon is unique with storage on one side and food preparation tops on the other. There is a second galley with fridge in the transom.

The master cabin forward is generous in size with private en-suite facilities with a separate shower and air-conditioning.
